SUBJECT OR TRANSACTION

Regulations for Reference Service on Warren Commission Items of Evidence.

FROM	TO	DATE AND MESSAGE
NNF	NN	1-31-72. I think it is interesting to note that Mr. Fisher's position regarding publication of these regulations in the Federal Register is the exact opposite of that taken by Mr. Robert A. Prince, Assistant General Counsel, in his memorandum of June 16, 1971 to the Archivist. In his memo Mr. Prince stated that "we do not feel publication of them [the regulations] in the Federal Register is either necessary or desirable at this time." I presume, however, that we must now be guided by Mr. Fisher's determination in this matter.
